

## Talson SWAU.BK SWAU.BK Wechselbrücke, Wissellaadbak, Swap body, BDF. Kein Krone

### General features

Brand	Talson
Subcategory	Swap body container
Licence plate	1078
Construction year	2020
Date of first registration	20-01-2020
Condition	Used
General condition	Very good
Reference	TT10842

### Characteristics

GVW	16.000kg
Length	7.450cm
Width	2.530cm

# Talson SWAU.BK SWAU.BK Wechselbrücke, Wissellaadbak, Swap body, BDF. Kein Krone

## Description

Internal dimensions: 7,300 x 2,472 x 2,550 The aluminum swap body T.SWAU BK, which is on average 750 kg lighter than usual products on the market and therefore enables a larger loading capacity, Talson's innovative self-supporting box construction is manufactured in a special aluminum sandwich design. In addition, modular aluminum side walls are made of 6 separate plates riveted with aluminum omega profiles, which enables cost-effective and quick repairs if necessary. Aluminum has good UV resistance (non-yellowing) and aging resistance and is easy to clean due to its low dirt adhesion. Talson T.SWAU BK is equipped with a robust aluminum Talfix load securing system with multiple holes to enable different wagon loading models in one box. As part of the patented Talfix load securing system, the double deck bar with 1 daN capacity each allows the creation of a second level in the vehicle for maximum load capacity. Talfix® is suitable for double deck applications that allow multi-level loading with 700 kg capacity per 1 m. = More information = Layout: Roller container Year of construction: 2020 = Dealer information = For more photos see: <https://www.thomastrucks.nl> Why you buy from Thomas Trucks? That choice is simple. Thomas Trucks is one of the independent trading companies worldwide in the field of used commercial vehicles.
